ABOUT VAULT

VAULT Strategies is a captive management firm serving professional practices, businesses, associations, governments, labor organizations, and not-for-profit groups. VAULT was founded with a simple vision- to provide America's small to mid-size clients with the same high quality employee benefits and risk management solutions previously only available to the largest of corporations. For brokers and employers, tapping into our integrated platform yields substantial benefits. From innovative benefit plan designs to tailored risk solutions, seamless administration, and exceptional service, we deliver it all.
